

REFERENCES – RECOMMENDED FORMAT REFERENCIJE – KAKO IH PISATI

Details are available from the *Uniform Requirements for Manuscripts Submitted to Biomedical Journals* (http://www.nlm.nih.gov/bsd/uniform_requirements.html). The referencing should adhere to the Vancouver style.

Manuscripts written in English should translate non-English references into English, type the translation in square brackets, and indicate the language of the original.

Pojedinosti su dostupne u općim uputama: *Uniform Requirements for Manuscripts Submitted to Biomedical Journals* (http://www.nlm.nih.gov/bsd/uniform_requirements.html). Referencije trebaju biti uređene u skladu s Vankuverskim stilom.

U rukopisima na engleskome naslove ne-engleskih referencija valja prevesti na engleski u uglatim zagradama i navesti jezik izvornika.
